No February minutes because not enough people showed.

Cable bought 2 VCR recorders, 1 will go to the school.

A video of Candidates meeting from Joe Fiala was taped at his home to be replayed on Channel 6.

A questionnaire from Craig was sent to Will Ottery. Will checked with Neil Kurk about handing them out at voting day and Neil said it would be okay. The forms would have to be outside the building. Then there was a discussion to send the questionnaire through the mail. And place a drop off box at different places for people to return the forms. We have \$480.00 for a telephone line that Cable does not have any more. Brad feels this wouldn't work the day of voting.

Will Ottery will check with Comcast to see how many homes don't have Channel 6.

Matt would like to have both 6 and 17 for the questionnaire.

Donna will talk to Tina Pelliter to see if she could put a web site questionnaire on channel 6. Dereek will also write some questions for Channel 17.

Bids for the Cable –Donna will check the Legal notice when it went into the paper. A question of April 1 to open the bids. Donna will check with Leon and send the info to Will Ottery.

Old tapes in the Cable room, there was a conservation to see if anyone would like them before throwing them out.

Ray Eaton's term is up 2006. And Jon Wallace term is up 2006, But Donna believes that was an error and Jon Wallace term is up 2007. Donna will check with Merry.

Donna mentioned the CIP- The Cable needs to look at what the members would like to see done in the future.
